

## The Limited Edition *Cole Clark Triumph Special Deluxe*. Model CCTRI-SP-DLX

Originally the Triumph model was available only in the USA. Cole Clark has built a special limited number of these for Selected International distributors *The Guitar Lair* is proud to have one in stock.

Built as a Special Edition in a non-cutaway version with exceptionally high quality timbers, this instrument has a Special-Selected Spruce Top and highly-figured Maple Silkwood back and sides that have an almost 3D appearance. These Tonewoods were chosen for their spectacular looks and excellent tonal quality.

Also, a factory-fitted Cole Clark Three-Way pickup system is installed with the amazing tonal attributes of clarity, diverse tone and projection. The system is the best available and with the added benefit of 3 way blending capabilities you receive and deliver the ultimate in acoustic sound when plugged in, in any venue!.

The Cole Clark Triumph Special Deluxe ships in a genuine Cole Clark Hard Shell Case.
